# York Deluxe & Standard Chair

Manufactured by **Winscombe Furniture** (Stacking & Non Stacking)

Email:sales@winscombefurniture.co.uk  
Telephone/Fax 01623 427596  
www.winscombefurniture.co.uk

The York Stacking and Non Stacking Chairs compliment each other fully. They both share the same 'footprint' and are dimensionally the same, the only difference being the width of SEAT PAD to allow stacking. Installations can therefore utilise both chairs by placing the non stacking chair into permanently seated areas while the stacking chair can be placed into areas that need to be cleared periodically.

## From Winscombe Furniture

A selection of wooden seating for those seeking an alternative to the upholstered chair. All chairs are available in solid beech, birch or oak with preformed veneered plyform where appropriate. Very strong, lightweight, designed with comfort in mind this is one of the best stacking wooden chairs on the market today. The product has been tried and tested over many years and is extremely low maintenance. Padded versions are very easily removed for reupholstery which would give the chair new life for another generation.

### S-312A Stacking Chair

Beech solids with plyform seat & back. Also available in Birch or Oak.

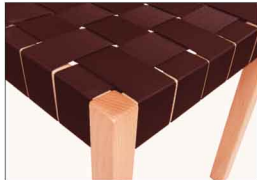

This chair will stack 10 high in all formats and up to 15 high on a trolley.

## Light

**Light Oak**

Light Oak is our standard finish. Red Oak in a medium or dark finish is our standard stain. Other finishes are available below but there maybe a small charge for these alternative colours depending on the size of the order. We can also colour match to customers own colours if required.

Light Oak will mellow to become a warm honey colour as opposite.
